School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Vision Statement:

Savanna High School is a proud community of dedicated staff, involved parents, and empowered students, whose members are engaged in academic excellence and are called to develop purposeful lives.

Mission Statement:

At Savanna High School, our mission is to support diverse and innovative learners in reaching their highest potential through meaningful and challenging experiences, so they can be successful in a rapidly changing world. Students will dedicate themselves to their own education and character development. Teachers will encourage, equip, and empower learners with a rigorous curriculum using differentiated instruction. Counselors will help learners make good academic decisions. Administrators will lead while ensuring the learning environment is both safe and effective. All staff will teach and consistently model school-wide expected behaviors. Parents, guardians, and other members of the community will support the efforts of students and teachers to maintain a successful learning community.

Highlights:

In 2014, Savanna High School became a P-21 Exemplar School, because of our commitment to college, career, and life readiness, education support systems, engaged learning approaches, equitable student access to 21st century learning, and student acquisition of 21st century knowledge and skills. In 2015, Savanna High School became a Gold Ribbon school for its personalized, four-year Capstone Program, which results in a senior-year portfolio presentation and panel interview to demonstrate college and career readiness. In 2016, Savanna High School became a California Democracy School, because every student graduating Savanna High School participates in multiple civic inquiry and investigation lessons. In 2017, Savanna High School implemented a Global Leadership and Language Academy program in the ninth grade, with students taking Spanish for Spanish Speakers 3 and Teatro en Español. Other GLLA courses offered include Mariachi, US History in Español, World History: Una Perspectiva Latino Americano, AP Spanish Language and AP Spanish Lit. Savanna High School also has CTE Pathways in Medical Careers, Automotive, BITA (Construction), and Culinary.

SAVANNA HS STUDENTS ARE:

- Critical Thinkers and Inquirers
- Academically and Personally Accountable
- Communicators and Collaborators
- Globally Aware and Culturally Competent
- Digital-Age Learners

These Student Learning Capacities (SLCs) are assessed through a school-wide Capstone Program.

Savanna High School teachers are implementing the following: Performance Task Assessments, Reflective Writing, Critical Reading Strategies, the AUHSD Writing Journey, Civics Inquiry, and Advancement Via Individual Determination (AVID) strategies school wide. Teacher collaboration meetings and release days happen regularly to review data, refine teaching practice, and identify best practices to ensure that the students are college, career, and life ready.

Savanna High School offers numerous Advanced Placement courses, including: English Language and Composition, English Literature and Composition, European History, United States History, Government, Statistics, Calculus, Biology, Physics, Chemistry, Spanish Language, Spanish Literature, French Language, and Studio Art. Additionally, Savanna High School offers a number of dual enrollment opportunities through partnerships Cypress and Fullerton College, including: Intro to Sociology, Intro to Chicana/o Studies, Cultural Awareness and the Health Care System, and Counseling 100. These dual enrollment courses allow Savanna students to begin their college coursework early, earning both high school elective and college credit.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: September 2020

All content subject areas utilize standards-aligned, State and District adopted textbooks and instructional materials. Teachers have input into the textbook selection process at the district-level through an established curriculum cycle. Teachers are given in-depth training on the instructional materials and the ancillary materials that accompany the basic textbook material. Ancillary materials support both the language needs and the learning needs of students.

This information was collected in September 2018.

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	English language arts textbooks, Houghton Mifflin Harcourt-Collections, were adopted in 2014-15. There is one textbook available per student.	Yes	0
Mathematics	Mathematics textbooks, by Carnegie Learning, were adopted in 2018-19. Course appropriate, standards-aligned instructional materials have been selected for each mathematics course. There is one textbook available per student.	Yes	0
Science	Science textbooks, Pearson-Essentials of Anatomy and Physiology, and Pearson-Biology were adopted in 2006-07. School Facility Conditions and Planned Improvements

Savanna High School opened in 1961. Savanna is one of nine comprehensive high schools in the Anaheim Union High School District, serving West Anaheim, parts of Buena Park, and some unincorporated areas of Orange County. The 41.8 acre site includes 63 regular classrooms and 13 portable classroom buildings. There are 19 labs, which are designed for specific programs (i.e. computer labs, science labs, choral music room, etc.). The site also includes an auditorium, a cafeteria, a library, a gym and pool facility, and a variety of sports fields.

Maintenance and Repair: Site and District maintenance staff ensure that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service. Emergency repairs are given the highest priority.

Cleaning Process and Schedule: The District's Board of Trustees has adopted cleaning standards for all schools. The administration works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school. All classrooms and restrooms are cleaned daily. Deep cleaning, including waxing of floors and painting, takes place during times when students are not in classes. Students, parents, and staff are encouraged to report any objectionable conditions via a uniform complaint procedure.

The most recent site inspection (Williams Facilities Review) was completed on October 28, 2020.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	19	N/A	28	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Career Technical Education Programs (School Year 2019-2020)

Savanna High School has seven career pathways that represent several industries that suit the needs, interests, and demands of its diverse student body. During the 2017-18 school year courses were offered in the following career industry sectors: Arts, Media & Entertainment; Business & Finance; Health Science & Medical Technology; Building & Construction Trades; Hospitality, Tourism, and Recreation; and Transportation.

Our CTE pathway courses are designed using the CTE Model Curriculum Standards, ensuring that students are developing the key skills needed to succeed in both school and the workplace. All of our teachers are trained to provide the best possible instruction for all students, including those in CTE pathways, with a focus on universal design for learning, ensuring that all students can access the curriculum. Our district measures the success of our CTE programs by evaluating the graduation rate, A-G completion rate, post-secondary enrollment, and when possible the career placement of students. This data guides which CTE pathways are offered, as well as the alignment between curriculum and the needs of each industry sector. CTE teachers attend regional advisory boards for each industry sector to stay up to date on the latest trends, skills desired of employers, employment outlook, and post-secondary programs related to the industry sector. These advisory boards are provided by Vital Link, a local non-profit organization that connects businesses with school districts, ensuring that the knowledge gained at the advisory boards represents the surrounding region.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Savanna High School strives to be a collaborative school environment, offering all stakeholders the opportunity to be involved in student learning and success. An annual Parent Needs Assessment Survey is administered to parents to determine Parent Involvement Needs. Parents are encouraged to participate through a variety of avenues, including becoming a Parent Ambassador, teaching other parents through Parent Leadership Academy, attending Parent Leadership Academy workshops, participating in PTSA, attending parent workshops for student success hosted by the Title I Specialist, Family and Community Engagement Specialist, and the Principal; attending "Coffee with Counselors" events; attending "Coffee with the Principal" events, attending grade-level College and Career Readiness nights hosted by the Title I Specialist and the Counseling Department; participating in booster organizations, attending award assemblies; attending Back to School Night and Open House; participating in Parent Learning Walks to visit classrooms. Parents have opportunities to receive assistance in accessing the Aeries Parent Portal from Savanna's Family and Community Engagement Specialist. The PTSA annually awards scholarships to senior students. Counseling hosts events for Honors/AP students and organizes the annual Rebel Awards. Parents and community members participate in school-wide events, including Red Ribbon Week, International Day, and Professional Development events. A full-time community liaison/family and community engagement specialist was hired in 2009 and coordinates with the full-time Title I Specialist to assist families. During distance learning, executive parent ambassadors are appearing on Rebel TV to give students motivational messages to encourage them to do their best throughout the pandemic.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	2.11	1.83	
Expulsions	0	.003	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

School Safety Plans are reviewed, discussed, and updated on an annual basis. Input is gathered from staff (through a once a month Safety Team meetings), students, and community resource groups (Anaheim Police Department and Anaheim Fire Department) along with the School Site Council in order to determine any needed changes. The Savanna High School Safety Plan is implemented by staff members. No less than four safety/evacuation drills (2 lock down, fire, earthquake) are conducted throughout the school year. Students, teachers, and other faculty members are required to participate in these drills. During the pandemic, we have new safety guidelines and protocols that we are following. All people checking in to the campus are receiving the COVID-19 daily health assessment. They are also required to wear masks on campus when around other people and must maintain social distancing. Additional hand sanitizing stations have been placed around campus as well water bottle re-filling stations. The drinking fountains are shut down. Office staff have plexiglass shields in cases where people must come to see them.

Types of Services Funded (Fiscal Year 2019-2020)

Savanna High School receives supplemental funding through Title I and Local Control Funding Formula (LCFF). Title I funds are used to support enhanced learning in the areas of English and Mathematics through appropriate intervention programs and support the funding of key positions that support the learning environment. Title I funds support the hiring of a bilingual translator. Title I funds support the hiring of half of a Mathematics teacher and one ELA teacher who support in-class interventions for students. Title I funds also support the hiring of a technology coach, who promotes educational technology to promote digital-age literacy development. LCFF funds provide additional educational opportunities and interventions to English Learners who are at risk of falling below grade level, including the hiring of two bilingual aides. LCFF funds are used to provide certificated staff with professional development in educational practices to best serve our students, including the integration of technology into lessons. LCFF funds are also used to support after-school academic tutoring in each core subject area, with additional focused support for English Learners and Students with Disabilities. LCFF funds are also used to support all students by hiring a full-time social worker to support the social-emotional needs on our campus. Additionally, Title I and LCFF funds are used to ensure that all students have Common Core State Standards (CCSS) aligned supplemental instructional materials. Savanna also receives Title IV funding that emphasizes spending on STEAM related courses to improve teaching and learning for all students.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	4	4	4

Teachers participate in a variety of District in-services as well as professional development workshops and conferences to enhance their content knowledge and instructional skills. This is in addition to four professional development days and weekly late-start meetings, which are scheduled each year for professional learning activities. New teachers are also required to participate in a teacher induction program. The District and school continue to train teachers in strategies to deliver a differentiated curriculum with depth and complexity. Teachers learn to utilize students' assessment results in order to target instruction to better meet the individual needs of students. Classified staff members have many opportunities to participate in training designed to enhance their effectiveness with students. All District staff members are supported in their efforts to deliver highly effective lessons. Teachers and administrators are given many opportunities to examine current instructional programs and strategies and realign with state curriculum performance and content standards. Research-based instructional strategies are reviewed and implemented.

In addition to what the district provides, Savanna High School has weekly professional development opportunities on Tuesday's late start days. The time is utilized by departments, specialized programs, and cross-curricular articulation. All educational staff is involved in a variety of workshops and conferences.
