General Information about the School Accountability Report Card (SARC)

SARC Overview

DataQuest

## California School Dashboard

## Internet Access

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sal

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2021-22 School Overview

Vision Statement:
Savanna High School is a proud community of dedicated staff, involved parents, and empowered students, whose members are engaged in academic excellence and are called to develop purposeful lives.

## Mission Statement:

At Savanna High School, our mission is to support diverse and innovative learners in reaching their highest potential through meaningful and challenging experiences, so they can be successful in a rapidly changing world. Students will dedicate themselves to their own education and character development. Teachers will encourage, equip, and empower learners with a rigorous curriculum using differentiated instruction. Counselors will help learners make good academic decisions.
Administrators will lead while ensuring the learning environment is both safe and effective. All staff will teach and consistently model school-wide expected behaviors. Parents, guardians, and other members of the community will support the efforts of students and teachers to maintain a successful learning community.

## Highlights:

In 2014, Savanna High School became a P-21 Exemplar School, because of our commitment to college, career, and life readiness, education support systems, engaged learning approaches, equitable student access to 21st century learning, and student acquisition of 21st century knowledge and skills. In 2015, Savanna High School became a Gold Ribbon school for its personalized, four-year Capstone Program, which results in a senior-year portfolio presentation and panel interview to demonstrate college and career readiness. In 2016, Savanna High School became a California Democracy School, because every student graduating Savanna High School participates in multiple civic inquiry and investigation lessons. In 2017, Savanna High School implemented a Global Leadership and Language Academy program in the ninth grade, with students taking Spanish for Spanish Speakers 3 and Teatro en Español. Other GLLA courses offered include Mariachi, US History in Español, World History: Una Perspectiva Latino Americano, AP Spanish Language and AP Spanish Lit. Savanna High School also has CTE Pathways in Medical Careers, Automotive, BITA (Construction), and Culinary. In 2020 Savanna was awarded the CA Civic Learning Award of Excellence due to multiple programs schoolwide that give students the opportunity to engage in civic learning.

## 2021-22 School Overview

SAVANNA HS STUDENTS ARE:

- Critical Thinkers
- Creative
- Communicators
- Collaborators
- Compassionate and have Character

These are the 5 Cs and are assessed through a school-wide Capstone Program.
Savanna High School teachers are implementing the following: Performance Task Assessments, Reflective Writing, Critical Reading Strategies, the AUHSD Writing Journey, Civics Inquiry, and Advancement Via Individual Determination (AVID) strategies school wide. Teacher collaboration meetings and release days happen regularly to review data, refine teaching practice, and identify best practices to ensure that the students are college, career, and life ready.

Savanna High School offers numerous Advanced Placement courses, including: English Language and Composition, English Literature and Composition, European History, United States History, Government, Statistics, Calculus, Biology, Physics, Chemistry, Spanish Language, Spanish Literature, French Language, and Studio Art. Additionally, Savanna High School offers a number of dual enrollment opportunities through partnerships Cypress and Fullerton College, including: Intro to Sociology, Intro to Chicana/o Studies, Cultural Awareness and the Health Care System, and Counseling 100. These dual enrollment courses allow Savanna students to begin their college coursework early, earning both high school elective and college credit.

## A. Conditions of Learning

## State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp

## 2020-21 Teacher Preparation and Placement

| Authorization/Assignment | School Number | School Percent | District Number | District Percent | State Number | State Percent |

| Total Teaching Positions | 65.4 | 100.0 | 1206.4 | 100.0 | 274759.1 | 100.0 |

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All content subject areas utilize standards-aligned, State and District adopted textbooks and instructional materials. Teachers have input into the textbook selection process at the district level through an established curriculum cycle. Teachers are given in-depth training on the instructional materials and the ancillary materials that accompany the basic textbook material. Ancillary materials support both the language needs and the learning needs of students.

This information was collected in September 2018.

Science Laboratory Equipment (grades 9-12)

All science labs at Savanna High School have the following equipment: tables with chemical-resistant tops, stools at lab tables, white boards/chalk boards for demonstrations, one complete set of glassware per classroom, linear measuring devices (meter sticks, 12 "/6" rulers, etc.), course appropriate charts, hot plates, triple-beam and/or top-loading balances, thermometers, overhead projector, LCD projector, ELMO projector, VCR/DVD player, and laserdisc player. Most labs have additional equipment appropriate for the courses being taught in the room.

## School Facility Conditions and Planned Improvements

Savanna High School opened in 1961. Savanna is one of nine comprehensive high schools in the Anaheim Union High School District, serving West Anaheim, parts of Buena Park, and some unincorporated areas of Orange County. The 41.8 acre site includes 63 regular classrooms and 13 portable classroom buildings. There are 19 labs, which are designed for specific programs (i.e. computer labs, science labs, choral music room, etc.). The site also includes an auditorium, a cafeteria, a library, a gym and pool facility, and a variety of sports fields.

Maintenance and Repair: Site and District maintenance staff ensure that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service.
Emergency repairs are given the highest priority.
Cleaning Process and Schedule: The District's Board of Trustees has adopted cleaning standards for all schools. The administration works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school. All classrooms and restrooms are cleaned daily. Deep cleaning, including waxing of floors and painting, takes place during times when students are not in classes. Students, parents, and staff are encouraged to report any objectionable conditions via a uniform complaint procedure.

The most recent site inspection (Williams Facilities Review) was completed on October 28, 2021.

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

## Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only
Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more gradelevel[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

## Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

## 2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.
The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative testing suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

For any 2020-2021 data cells with N/T values indicate that this school did not test students using the CAASPP Science.

## 2020-21 Career Technical Education Programs

Savanna High School has seven career pathways that represent several industries that suit the needs, interests, and demands of its diverse student body. During the 2017-18 school year courses were offered in the following career industry sectors: Arts, Media \& Entertainment; Business \& Finance; Health Science \& Medical Technology; Building \& Construction Trades; Hospitality, Tourism, and Recreation; and Transportation.

Our CTE pathway courses are designed using the CTE Model Curriculum Standards, ensuring that students are developing the key skills needed to succeed in both school and the workplace. All of our teachers are trained to provide the best possible instruction for all students, including those in CTE pathways, with a focus on universal design for learning, ensuring that all students can access the curriculum. Our district measures the success of our CTE programs by evaluating the graduation rate, A-G completion rate, post-secondary enrollment, and when possible the career placement of students. This data guides which CTE pathways are offered, as well as the alignment between curriculum and the needs of each industry sector. CTE teachers attend regional advisory boards for each industry sector to stay up to date on the latest trends, skills desired of employers, employment outlook, and post-secondary programs related to the industry sector. These advisory boards are provided by Vital Link, a local non-profit organization that connects businesses with school districts, ensuring that the knowledge gained at the advisory boards represents the surrounding region.

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

## 2021-22 Opportunities for Parental Involvement

Savanna High School strives to be a collaborative school environment, offering all stakeholders the opportunity to be involved in student learning and success. An annual Parent Needs Assessment Survey is administered to parents to determine Parent Involvement Needs. Parents are encouraged to participate through a variety of avenues, including becoming a Parent Ambassador, teaching other parents through Parent Leadership Academy, attending Parent Leadership Academy workshops, participating in PTSA, attending parent workshops for student success hosted by the Title I Specialist, Family and Community Engagement Specialist, and the Principal; attending "Coffee with Counselors" events; attending "Coffee with the Principals" events (with the Brookhurst Principal and Savanna Principal), attending grade-level College and Career Readiness nights hosted by the Title I Specialist and the Counseling Department; participating in booster organizations, attending award assemblies; attending Back to School Night and Open House; participating in Parent Learning Walks to visit classrooms. Parents have opportunities to receive assistance in accessing the Aeries Parent Portal from Savanna's Family and Community Engagement Specialist. The PTSA annually awards scholarships to senior students. Counseling hosts events for Honors/AP students and organizes the annual Rebel Awards. Parents and community members participate in school-wide events, including Red Ribbon Week, International Day, and Professional Development events. A full-time community liaison/family and community engagement specialist was hired in 2009 and coordinates with the full-time Title I Specialist to assist families. During distance learning, executive parent ambassadors are appearing on Rebel TV to give students motivational messages to encourage them to do their best throughout the pandemic. Now that we're back on campus, systems are resuming more normal levels. Some things remain virtual, however, considering the current circumstances. Any parent volunteers must be fully vaccinated to be on campus.

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

| Expulsions | 0.00 | 0.00 | 0.00 | 0.00 | 0.08 | 0.00 |

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

## 2021-22 School Safety Plan

School Safety Plans are reviewed, discussed, and updated on an annual basis. Input is gathered from staff (through a once a month Safety Team meetings), students, and community resource groups (Anaheim Police Department and Anaheim Fire Department) along with the School Site Council in order to determine any needed changes. The Savanna High School Safety Plan is implemented by staff members. No less than four safety/evacuation drills ( 2 lock down, fire, earthquake) are conducted throughout the school year. Students, teachers, and other faculty members are required to participate in these drills. During the pandemic, we have new safety guidelines and protocols that we are following. All people checking in to the campus are receiving the COVID-19 daily health assessment. They are also required to wear masks on campus when around other people and must maintain social distancing. Additional hand sanitizing stations have been placed around campus as well water bottle re-filling stations. The drinking fountains are shut down. Office staff have plexiglass shields in cases where people must come to see them. The Safety Plan was updated in February of 2021.

## 2020-21 Types of Services Funded

Savanna High School receives supplemental funding through Title I and Local Control Funding Formula (LCFF). Title I funds are used to support enhanced learning in the areas of English and Mathematics through appropriate intervention programs and support the funding of key positions that support the learning environment. Title I funds support the hiring of a full time bilingual translator. Title I funds support the hiring of half of a Mathematics teacher and one ELA teacher who support in-class interventions for students. Title I funds also support the hiring of a technology coach, who promotes educational technology to promote digital-age literacy development. LCFF funds provide additional educational opportunities and interventions to English Learners who are at risk of falling below grade level, including the hiring of two bilingual aides. They are also used to help pay for a full time social worker. LCFF funds are used to provide certificated staff with professional development in educational practices to best serve our students, including the integration of technology into lessons. LCFF funds are also used to support after-school academic tutoring in each core subject area, with additional focused support for English Learners and Students with Disabilities. LCFF funds are also used to support all students by hiring a full-time social worker to support the socialemotional needs on our campus. Additionally, Title I and LCFF funds are used to ensure that all students have Common Core State Standards (CCSS) aligned supplemental instructional materials. Savanna also receives Title IV funding that emphasizes spending on STEAM related courses to improve teaching and learning for all students.

## Professional Development

Teachers participate in a variety of District in-services as well as professional development workshops and conferences to enhance their content knowledge and instructional skills. This is in addition to four professional development days and weekly late-start meetings, which are scheduled each year for professional learning activities. New teachers are also required to participate in a teacher induction program. The District and school continue to train teachers in strategies to deliver a differentiated curriculum with depth and complexity. Teachers learn to utilize students' assessment results in order to target instruction to better meet the individual needs of students. Classified staff members have many opportunities to participate in training designed to enhance their effectiveness with students. All District staff members are supported in their efforts to deliver highly effective lessons. Teachers and administrators are given many opportunities to examine current instructional programs and strategies and realign with state curriculum performance and content standards. Research-based instructional strategies are reviewed and implemented.

In addition to what the district provides, Savanna High School has weekly professional development opportunities on Thursday's late start days. The time is utilized by departments, specialized programs, and cross-curricular articulation. All educational staff is involved in a variety of workshops and conferences.

This table displays the number of school days dedicated to staff development and continuous improvement.

# Anaheim Union High School District 2020-21 Local Accountability Report Card (LARC) Addendum 

## Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020-2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020-2021 school year and the 2020-2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020-2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.

## 2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

## 2020-21 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.
