## 2024-2025 School Accountability Report Card (Published During the 2025-2026 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

### Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

## 2025-26 School Description and Mission Statement

### Vision Statement:

Savanna High School is a proud community of dedicated staff, involved parents, and empowered students, whose members are engaged in academic excellence and are called to develop purposeful lives.

### Mission Statement:

At Savanna High School, our mission is to support diverse and innovative learners in reaching their highest potential through meaningful and challenging experiences, so they can be successful in a rapidly changing world. Students will dedicate themselves to their own education and character development. Teachers will encourage, equip, and empower learners with a

rigorous curriculum using differentiated instruction. Counselors will help learners make good academic decisions. Administrators will lead while ensuring the learning environment is both safe and effective. All staff will teach and consistently model school-wide expected behaviors. Parents, guardians, and other members of the community will support the efforts of students and teachers to maintain a successful learning community.

### Highlights:

In 2014, Savanna High School became a P-21 Exemplar School, because of our commitment to college, career, and life readiness, education support systems, engaged learning approaches, equitable student access to 21st century learning, and student acquisition of 21st century knowledge and skills. In 2015, Savanna High School became a Gold Ribbon school for its personalized, four-year Capstone Program, which results in a senior-year portfolio presentation and panel interview to demonstrate college and career readiness. In 2016, Savanna High School became a California Democracy School, because every student graduating Savanna High School participates in multiple civic inquiry and investigation lessons. In 2017, Savanna High School implemented a Global Leadership and Language Academy program in the ninth grade, with students taking Spanish for Spanish Speakers 3 and Teatro en Español. Other GLLA courses offered include Mariachi, US History in Español, World History: Una Perspectiva Latino Americano, AP Spanish Language and AP Spanish Lit. Savanna High School also has CTE Pathways in Medical Careers, Automotive, BITA (Construction), and Culinary. In 2020 Savanna was awarded the CA Civic Learning Award of Excellence due to multiple programs schoolwide that give students the opportunity to engage in civic learning. In the fall of 2022, Savanna High School was one of 13 AUHSD schools who were awarded California State Funding via a grant to become a Community School. This allowed us to bring on more staff, provide more training, and offer more resources to our students and their families. Through our Capstone Program, Community Schools Model, and work with our stakeholders on reflective practices, Savanna has become a learning lab for many outside districts, both in California and around the country. We even had some guests from Germany here to see what we do and how we do it. In 2024 we had multiple groups of teachers and administrators from China come to see what we're doing.

### SAVANNA HS STUDENTS ARE:

- Critical Thinkers
- Creative
- Communicators
- Collaborators
- Compassionate and have Character

These are the 5 Cs and are assessed through a school-wide Capstone Program. This program is for all students, grades 9-12, and focuses on reflective practices. Students write about their learning in terms of skills used, where and how they've grown, and how it will influence their future work, both at Savanna and beyond. All graduating seniors will interview with a panel of adults to articulate how they have become prepared for their next steps in life.

Savanna High School teachers are implementing the following: Performance Task Assessments, Reflective Writing, Critical Reading Strategies, the AUHSD Writing Journey, Civics Inquiry, and Advancement Via Individual Determination (AVID) strategies school wide. Teacher collaboration meetings and release days happen regularly to review data, refine teaching practice, and identify best practices to ensure that the students are college, career, and life ready.

Savanna High School offers numerous Advanced Placement courses, including: English Language and Composition, English Literature and Composition, European History, United States History, Government, Statistics, Calculus, Biology, Physics, Chemistry, Spanish Language, Spanish Literature, and Studio Art. Additionally, Savanna High School offers a number of dual enrollment opportunities through partnerships with Cypress College, including our embedded dual enrollment program. The embedded program offers students the opportunity to earn both high school graduation requirements and transferable college units. The embedded classes are offered on the Savanna High School campus and are taught by a Cypress College instructor. Our embedded program includes the following courses: COUN 139/140, Ethnic Studies and English 101. Our after school dual enrollment courses are available to students after school and a large variety of courses are available each semester. These dual enrollment courses allow Savanna students to begin their college coursework early, earning both high school elective and college credit.

## 2025-26 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All content subject areas utilize standards-aligned, State and District adopted textbooks and instructional materials. Teachers have input into the textbook selection process at the district level through an established curriculum cycle. Teachers are given in-depth training on the instructional materials and the ancillary materials that accompany the basic textbook material. Ancillary materials support both the language needs and the learning needs of students.

## School Facility Conditions and Planned Improvements

Savanna High School opened in 1961. Savanna is one of nine comprehensive high schools in the Anaheim Union High School District, serving West Anaheim, parts of Buena Park, and some unincorporated areas of Orange County. The 41.8 acre site includes 63 regular classrooms and 13 portable classroom buildings. There are 19 labs, which are designed for specific programs (i.e. computer labs, science labs, choral music room, etc.). The site also includes an auditorium, a cafeteria, a library, a gym and pool facility, and a variety of sports fields.

**Maintenance and Repair:** Site and District maintenance staff ensure that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service. Emergency repairs are given the highest priority.

**Cleaning Process and Schedule:** The District's Board of Trustees has adopted cleaning standards for all schools. The administration works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school. All classrooms and restrooms are cleaned daily. Deep cleaning, including waxing of floors and painting, takes place during times when students are not in classes. Students, parents, and staff are encouraged to report any objectionable conditions via a uniform complaint procedure.

The most recent site inspection (Williams Facilities Review) was completed on October 17 - October 20, 2025.

B. Pupil Outcomes	<b>State Priority: Pupil Achievement</b>
	<p>The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):</p> <p><b>Statewide Assessments</b>            (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).</p> <p>The CAASPP System encompasses the following assessments and student participation requirements:</p> <ol style="list-style-type: none"> <li><b>Smarter Balanced Summative Assessments and CAAs for ELA</b> in grades three through eight and grade eleven.</li> <li><b>Smarter Balanced Summative Assessments and CAAs for mathematics</b> in grades three through eight and grade eleven.</li> <li><b>California Science Test (CAST) and CAAs for Science</b> in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).</li> </ol> <p><b>College and Career Ready</b>            The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.</p>

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Subject	School 2023-24	School 2024-25	District 2023-24	District 2024-25	State 2023-24	State 2024-25

## 2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2024-25 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

### CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2024-25 Career Technical Education Programs

Savanna High School has seven career pathways that represent several industries that suit the needs, interests, and demands of its diverse student body. During the 2024-25 school year courses were offered in the following career industry sectors: Arts, Media & Entertainment; Business & Finance; Health Science & Medical Technology; Building & Construction Trades; and Transportation.

Our CTE pathway courses are designed using the CTE Model Curriculum Standards, ensuring that students are developing the key skills needed to succeed in both school and the workplace. All of our teachers are trained to provide the best possible instruction for all students, including those in CTE pathways, with a focus on universal design for learning, ensuring that all students can access the curriculum. Our district measures the success of our CTE programs by evaluating the graduation rate, A-G completion rate, post-secondary enrollment, and when possible the career placement of students. This data guides which CTE pathways are offered, as well as the alignment between curriculum and the needs of each industry sector. CTE teachers attend regional advisory boards for each industry sector to stay up to date on the latest trends, skills desired of employers, employment outlook, and post-secondary programs related to the industry sector. These advisory boards are provided by Vital Link, a local non-profit organization that connects businesses with school districts, ensuring that the knowledge gained at the advisory boards represents the surrounding region.

2024-25 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	956
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	45.7

UC/CSU Course Measure	Percent
Pupils Enrolled in Courses Required for UC/CSU Admission	98.05
Graduates Who Completed All Courses Required for UC/CSU Admission	40.63

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2024-25 California Physical Fitness Test Participation Rates

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2025-26 Opportunities for Parental Involvement

Savanna High School strives to be a collaborative school environment, offering all stakeholders the opportunity to be involved in student learning and success. An annual Parent Needs Assessment Survey is administered to parents to determine Parent Involvement Needs. Parents are encouraged to participate through a variety of avenues, including the following: becoming a Parent Ambassador; teaching other parents through Parent Leadership Academy; attending Parent Leadership Academy

2025-26 Opportunities for Parental Involvement

workshops and conferences; attending parent workshops for student success (hosted by the Family and Community Engagement Specialist and the Counseling Department); attending "Counseling Advisory" events; attending "Coffee with the Principals" events (with the Brookhurst Principal and Savanna Principal); attending grade-level College and Career Readiness nights (hosted by the Family and Community Engagement Specialist and the Counseling Department); participating in booster organizations; attending award assemblies; attending Back to School Night and Open House; and participating in Parent Learning Walks to visit classrooms. Parents have opportunities to receive assistance in accessing a variety of parent platforms which include Aeries Parent Portal, eKadence and ParentSquare from Savanna's Family and Community Engagement Specialist. Counseling hosts events for Honors/AP students and organizes the annual Rebel Awards. Parents and community members participate in school-wide events, including Red Ribbon Week, International Day, and Professional Development events. A full-time family and community engagement specialist was hired in 2009 and coordinates with the full-time Title I Specialist to assist families. Furthermore, we have parents that serve on the School Site Council/Community Schools Site Team (SSC/CSST), SPAC (Superintendent Parent Advisory Committee) and the English Learner Advisory Council (ELAC). We have two of our ELAC parents that serve on the District-level ELAC (DELAC) Team.

## 2025-26 School Safety Plan

School Safety Plans are reviewed, discussed, and updated on an annual basis. Input is gathered from staff (through once a quarter Safety Team meetings), students, and community resource groups (Anaheim Police Department and Anaheim Fire Department) along with the Community School Site Council (CSSC) and English Learner Advisory Council (ELAC) in order to determine any needed changes. The Savanna High School Safety Plan is implemented by staff members. No less than four safety/evacuation drills (2 lock down, fire, earthquake) are conducted throughout the school year. Students, teachers, and other faculty members are required to participate in these drills. The latest Safety Plan was approved by the School Site Council on December 11, 2024 and was approved by the AUHSD Board of Trustees at their January 2025 meeting.

## 2022-23 Secondary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students

## Fiscal Year 2024-25 Types of Services Funded

Savanna High School receives supplemental funding through Title I and Local Control Funding Formula (LCFF). Title I funds are used to support enhanced learning in the areas of English and Mathematics through appropriate intervention programs and support the funding of key positions that support the learning environment. Title I funds support the hiring of three full time bilingual aides. Title I funds support the hiring of an AVID teacher and two sections of an EL Literacy Support teacher who support in-class interventions for students. LCFF funds provide additional educational opportunities and interventions to English Learners who are at risk of falling below grade level, including the hiring of a site English/Spanish translator. They are also used to help pay for an APEX teacher, who supports students in recovering credits for graduation during the school day. LCFF funds are used to provide certificated staff with professional development in educational practices to best serve our students, including the integration of technology into lessons. LCFF funds are also used to support after-school academic tutoring in each core subject area, with additional focused support for English Learners and Students with Disabilities. Additionally, Title I and LCFF funds are used to ensure that all students have Common Core State Standards (CCSS) aligned supplemental instructional materials. Savanna also receives Title IV funding that emphasizes spending on STEAM related courses to improve teaching and learning for all students.

## Fiscal Year 2023-24 Teacher and Administrative Salaries

This table displays the 2023-24 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Professional Development

Teachers participate in a variety of District in-services as well as professional development workshops and conferences to enhance their content knowledge and instructional skills. This is in addition to four professional development days and weekly late-start meetings, which are scheduled each year for professional learning activities. New teachers are also required to participate in a teacher induction program. The District and school continue to train teachers in strategies to deliver a differentiated curriculum with depth and complexity. Teachers learn to utilize students' assessment results in order to target instruction to better meet the individual needs of students. Classified staff members have many opportunities to participate in training designed to enhance their effectiveness with students. All District staff members are supported in their efforts to deliver highly effective lessons. Teachers and administrators are given many opportunities to examine current instructional programs and strategies and realign with state curriculum performance and content standards. Research-based instructional strategies are reviewed and implemented.

In addition to what the district provides, Savanna High School has weekly professional development opportunities on Thursday's late start days. The time is utilized by departments, specialized programs, and cross-curricular articulation. All educational staff is involved in a variety of workshops and conferences.
